REQUEST FOR USE OF POTTER COUNTY TRASH TRUCK FOR HOMEOWNER'S ASSOCIATION CLEAN-UP

DATE(S) REQUESTED: _____

PERSON REQUESTING: _____

ADDRESS: _____

DELIVERY LOCATION: _____

The Potter County trash truck will be delivered by the Road department to the location listed above on the last working day prior to the requested date. The truck will remain locked and will not be moved during the time at the location. The trash truck is intended for right-of-way trash and road debris clean-up. Non-sale items from neighborhood garage sales must be disposed of by the homeowner's association. Restricted items for the Potter County trash truck are as follows: large appliances, batteries, tree limbs/stumps, tires, dead animals, oil, asbestos and hazardous materials. If a restricted item is placed in the trash truck, which could incur a cost to Potter County, the homeowner's association will reimburse Potter County for such cost and could result in not being allowed use of the trash truck in the future. The use of the Potter County trash truck will not exceed the date(s) requested and a homeowner's association may request the truck usage up to, but not exceed, two (2) weekends per calendar year. Potter County Road & Bridge will pick up and empty the trash truck.
