On January 25, 2022, a group of four people agreed to commit an aggravated robbery. One of the defendants, Joel Marquez, knew the victim, Jeremie Gomez. Defendant Marquez and his girlfriend, defendant Corrina Ramos, went to the victim's home to do surveillance and help set up the robbery. The other two defendants, Jaicelyn Anzaldua and Adrian Williams, waited outside the house with guns. When the other defendants left and gave the signal, defendants Anzaldua and Williams forced their way into the house and held both Jeremie and his girlfriend at gunpoint. They went through the house and stole many items, including the keys to the victim's car. After they had taken all the property they wanted, defendant Anzaldua shot and killed Jeremie. With the help of Jeremie's girlfriend and the diligent work of the Amarillo Police Department, all four defendants were eventually identified and charged. Defendant Jaicelyn Anzaldua pled guilty to murder and was sentenced to 50 years in TDC for her role as the shooter. Defendant Joel Marquez pled guilty to murder and was sentenced to 40 years in TDC for his role as the planner and co-conspirator. Defendant Corrina Ramos pled guilty to aggravated robbery and was sentenced to 20 years for her role in the case. Defendant Adrian Williams had a jury trial in March of 2026 in the 320<sup>th</sup> District Court in front of the Honorable Judge Denny. The jury found him guilty of murder and sentenced him to 30 years in TDC.

At trial and the pleas, Jeremie's family honored him by sharing with the Court and the jury what they remember and loved about him. The 47<sup>th</sup> District Attorney's Office wishes to thank them for their grace and willingness to help. We also wish to thank the Amarillo Police Department and the Homicide Unit specifically for the intense, thorough investigation that successfully identified all the participants in this crime. District Attorney Jason Herring said, "We hope these cases send a strong message that no matter your role, agreeing to commit and participate in violence will not be tolerated by the citizens of this community. We hope that the verdict and outcomes are a comfort to the victim's family as they continue to grieve."
