## **Multi-Agency Resource Center to Help Flood Victims**

**AMARILLO** – Agencies and organizations are combining resources to help flood victims in Amarillo and Potter and Randall counties.

The Amarillo Area Office of Emergency Management (OEM), along with the Texas Panhandle Volunteers Organization Active in Disaster (VOAD), are leading a multi-agency resource center (MARC) at the Randall County Fire Station Event Center at 1111 E Loop 335 S.

The MARC will be open Thursday (June 8) from noon to 7 p.m. Hours are 8 a.m. to 7 p.m. on Friday (June 9). Future hours of operation will be determined based on community need.

As many as 16 agencies, including the Red Cross and the Texas Division of Emergency Management (TDEM), will be available to provide information and help the victims of recent flooding in the Amarillo area.

“There will be several organizations available at one location to help the residents of our community who are dealing with the impact of the recent rain and flooding,” said OEM Director Max Dunlap. “The MARC will be a convenient and valuable resource for residents.”
